SUN WORLD  
2019

# Sun World 2019

World Meeting and Exhibition of Renewable Energies

# Organizers

# Ministry of Energy and Mines

Peru through its Ministry of Energy and Mines (MINEM) will host the Sun World 2019 event.

Peru has been appointed Vice President of the International Solar Alliance (ISA) for Latin America and the Caribbean, and President of the Latin American Energy Organization (OLADE).

PERÚ

Ministerio  
de Energía y Minas

MINEM will contribute with:

- Logistics
- Promotion
- Convening

# International Solar Alliance (ISA)

ISA is a group of **121 countries** with high potential for generating solar energy resources, located between the Tropics of Cancer and Capricorn, which seeks to deploy more than 1,000 Gigawatts of solar energy and mobilize more than 1,000 million USD for the solar energy for 2030.

ISA will contribute with:

- Speakers
- Exhibitions

# Organización Latinoamericana de Energía (OLADE)

OLADE is an intergovernmental public entity, established on November 2, 1973, by signing of the **Lima Agreement**.

The Organization is a cooperation, coordination and consultation entity with legal personality, whose fundamental purpose is the integration, protection, conservation, rational utilization, marketing and protection of energy resources in the Region.

OLADE will contribute with:

- Side event named “Energy Week”.
- Meeting of the Energy Ministers from its 27 member countries.
- Council of Experts.

# General Event Information

# General Information

- **Date:** November, 12 to 14
- **Venue:** Lima Convention Center

<https://www.youtube.com/watch?v=0FH5Ykc9k0g>

- **Participants:**

- State Ministers
- Renowned international speakers
- Well-known companies in the field
- Investors
- Multilateral institutions
- Diplomatic Core
- Government institutions
- The Academia
- General public

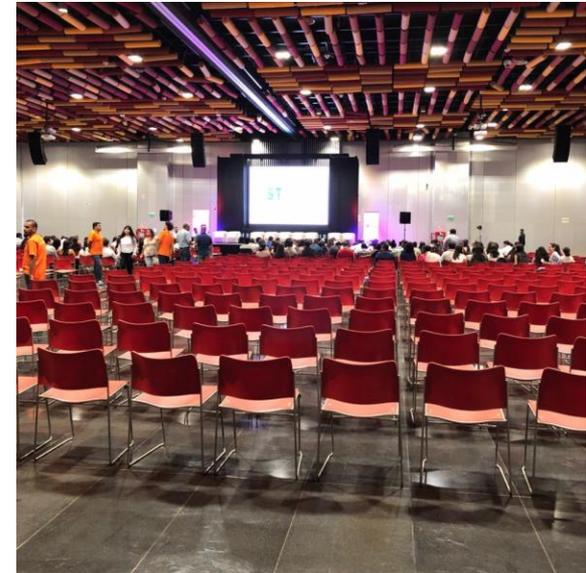

- **Attendees:**

**1700** per day

**5000** within 3 days

# Lima Convention Center

# Event Format

## PRESENTATIONS

- **500** attendees per day
- 52 presentations in both languages (Spanish and English)
- 3 keynote speeches
- **62** national and international speakers
- Conference Sessions:
  - ✓ Panels
  - ✓ Panel discussions
  - ✓ Individual Oral Presentations

## EXHIBITIONS

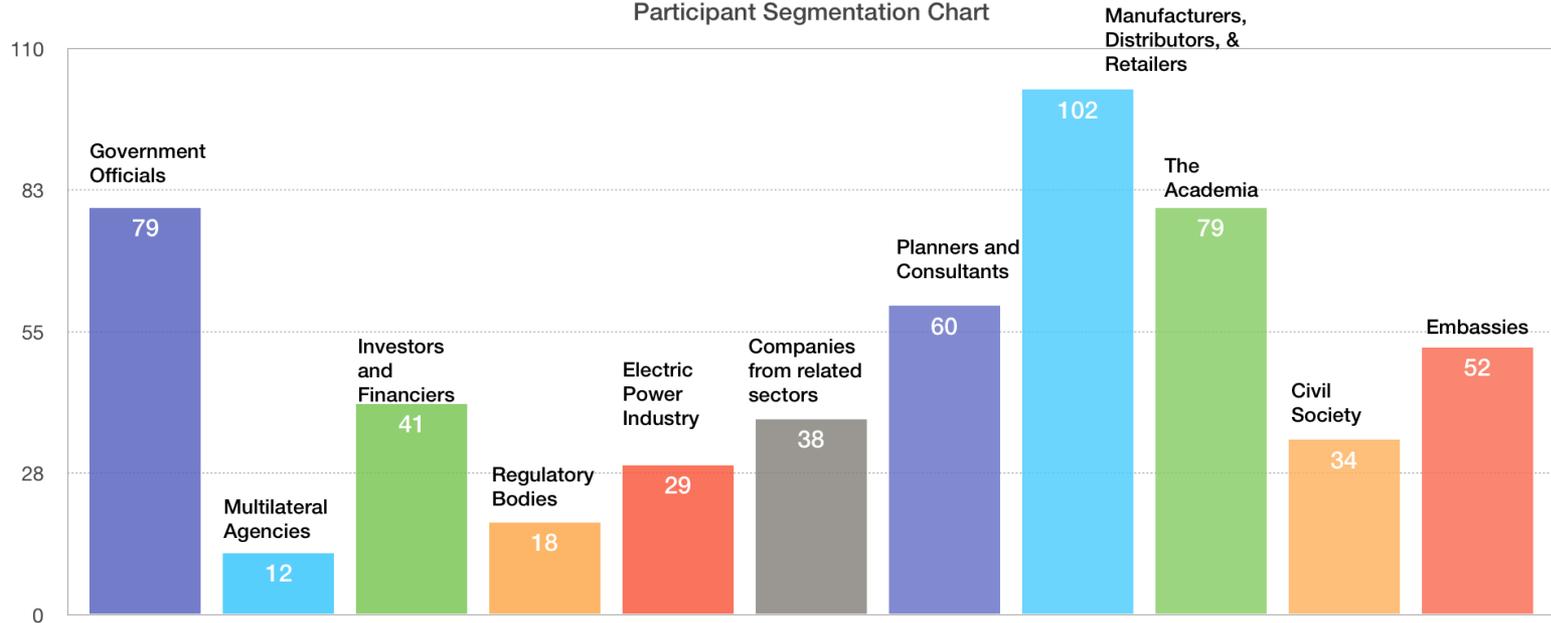

- **70** booths
- **1700** visitors/day → **5000 visitors in 3 days**
- 01 auditorium for 70 people
- It has been considered that the Exhibition will have five sectors :
  - ✓ Technology companies
  - ✓ Investors and multilateral agencies
  - ✓ Government institutions
  - ✓ The Academia
  - ✓ Small and mid-seized entrepreneurs
  - ✓ Regional Governments

# Participants per Segments

Participant Segmentation

PARTICIPANT	TOTAL	PERU	LATIN AMERICA	FROM OTHER COUNTRIES
Government Officials	79	32	23	24
Multilateral Agencies	12	5	4	3
Investors and Financiers	41	19	10	12
Regulatory Bodies	18	8	6	4
Electric Power Industry	29	13	12	4
Companies from related sectors	38	18	14	6
Planners and Consultants	60	25	20	15
Manufacturers, Distributors, Retailers	102	48	22	32
The Academia	79	33	24	22
Civil Society	34	14	11	9
Embassies	52	-	17	35

Participant Segmentation Chart

# Themes of the conference

For presentations and conferences

# Thematic Axes

## **Energy Policies**

Evaluation of the state policies in renewable energies in the countries of Latin America and the Caribbean (LAC), and projections of their energy markets. How is LAC moving forward in renewable energy?

## **Fiscal Policies, Regulations and Technical Standards**

Global trends in regulatory policy and governance.

# Thematic axes

## **Technological Innovation**

Global trends in the application of artificial intelligence and the development of power electronics in solar plants.

## **Solar Energy & the Renewables**

Applications of solar and renewable energy in economic sectors such as agriculture, industry, and rural electrification.

# Thematic axes

## **Investment and Finance**

Discussion on structuring and access channels to financing levels of renewable energy projects.

# SPEAKERS

The background features several overlapping, semi-transparent yellow and white curved shapes that create a sense of depth and movement. These shapes are primarily located on the right side of the page, with some extending towards the center.

# Speakers
